S/N: Unknown Atty Dkt No. WAS0795PUSA

**Remarks** 

The specification has been amended to recite the claim for priority; to add

headings and subheadings recommended by the United States Patent and Trademark Office;

and to correct minor translation errors, including correct numerical usage. The claims have

been rewritten to reflect current U.S. practice and to eliminate multiple dependent claims.

It is noted that the International Search Report contained only "A" references,

i.e. references relating to technological background. Early favorable consideration is

respectfully requested.

Respectfully submitted,

Robert Schröck et al.
